1. Do you think Alaskans are served well by the transportation system today?

Yes, only in the cities, but as for urban country is very poor.

2. What do you consider the most critical transportation issues facing Alaska – today and into the future?

Fuel cost, transportation between the villages during the summer, cause there's no roads.

3. Overall, do you agree with the direction set by this plan? If you disagree, what direction would you like the plan to set?

I do agree.

4. Based on the plan, what statewide priorities would you recommend for transportation investments (we are not looking for project-specific priorities)?

Have roads to other villages.

5. Of the actions listed, what would you consider the most important?

Provide more funding.

6. Are there additional actions that would strengthen the plan? If yes, please specify.

(Sorry don't know ?.)
